

Family visitation policy

We are very excited to welcome back family members to our community!

We ask that you please follow our Center's policy guidelines for safe visitation.

- Upon arrival, please use the electronic screening form and the paper sign in sheet to communicate who you are visiting.
- Show proof of recent Covid-19 test or get swabbed on-site
- Please sign in and out at the conclusion of your visit.
- Please wear a mask during your visit.
- Unvaccinated residents and visitors should maintain 6 feet social distancing.
- If you bring clothing or other items, you must fill out an inventory sheet.
- **Hopkins will be asking visitors for ID when entering.**
- **Our Second floor currently has positive cases. Please see nurse when entering.**
- For facetime - virtual visits please contact our visitation coordinator Ms. Ari Anderson at 908-487-6950
